Proceeding No. 85/2014

Inquiry Report

The Complainant Master Shubam Suryakant Naik is the son of Shri Suryakant Naik. The father of the Complainant was working as Headmaster at Keerti Vidhyalaya, Siolim-Goa. He was placed under

suspension since 24-02-2014. The grievance of the Complainant is that his father has not been paid salary since the month of February, 2014 till date (as on the date of filing of the present complaint). The Complainant has stated that due to non-payment of salary for several months great harassment and mental torture has been caused to him and to his family members.

2. Taking cognizance of the complaint filed by the Complainant this Commission issued notices to the Headmaster, Kirti Vidyalaya High School, Siolim, Bardez-Goa and the Director of Education, Porvorim-Goa. In pursuance to the notices, both the Respondents have filed separate replies. The Complainant has filed Counter Reply dated 21-01-2015 to the reply dated 13-09-2014 of the Respondent No.1. The Complainant has also filed Counter Reply to the reply dated 21-01-2015 of the Respondent No. 2.

3. The Respondent No. 1 in its reply has stated that the father of the Complainant was suspended by following due process of law by the School Managing Committee with due approval of the Education Department. After suspension, the suspended employee was informed to complete all the formalities which the said Employee had not done and as such Subsistence Allowance could not be released to him immediately. It is further stated that instead of complying with the required formalities to claim Subsistence Allowance, the father of the Complainant started finding faults with the Suspension Order thereby causing delay in payment of Subsistence Allowance. It is further stated that ultimately vide letter dated 23-05-2014 father of the Complainant completed the formalities for payment of Subsistence Allowance and thereafter a bill and other formalities required for payment of Subsistence Allowance were completed by the School Authorities and Subsistence Allowance and other benefits as admissible to the suspended employee for the period from 24-02-2014

till 23-05-2014 were paid to the father of the Complainant.

4. The Respondent No.2 in its reply has stated that the bill of Subsistence Allowance is prepared by the School Authority after complying with the formalities as per Goa School Education Act, 1984 and Rules, 1986 and thereby the Director of Education approves the same. It is further stated that this Respondent has not kept any bill pending of the suspended employee in order to harass him.

5. The Complainant in the Counter Reply to the reply of the Respondent No. 1 has stated that the remaining salary for the month of February, 2014 has not been paid to his father which is due to him even after lapse of eleven months. The Complainant has further stated that after reinstatement of his father on 01-07-2014 he was entitled for his entire salaries and allowances minus the Subsistence Allowance received by him from the date on which he was suspended but the School Authorities have failed to pay the salaries to his father. The dues paid to his father has been indicated in the tabular form as under:

| Dues as salary Sub. Allowance | Month | Due Date | Paid on |
|--|---|--|--|
| Salary | February (Upto 23-02-2014) | 01-03-2014 | 19-04-2014 |
| Subsistence Allowance | March, 2014 April, 2014 | 01-04-2014 01-05-2014 | 23-06-2014 23-06-2014 |
| Subsistence Allowance (Upto 23-05-14) | May, 2014 (Upto 23-05-14) | 01-06-2014 | 23-06-2014 |
| Remaining Salary for March, 2014 April, 2014 May, 2014 | March, 2014 April, 2014 May, 2014 | 02-07-2014 02-07-2014 02-07-2014 | 28-08-2014 28-08-2014 10-09-2014 |
| Salary of June, 2014 | June, 2014 | 02-07-2014 | 10-09-2014 |
| Remaining Salary of February, 2014 | Since 24th February, 2014 | 02-07-2014 | Not paid till date |

6. We have heard the Parties. We have also perused the records of this case.

7. The grievance of the Complainant is that the Subsistence Allowance and monthly salary of his father for the period pointed out above was paid

after a long delay. The Respondent No.1 has not denied that there was a delay in payment of Subsistence Allowance and also delay in payment of the monthly salaries of the father of the Complainant.

8. In the facts and the circumstances of this case two questions arise for our determination which are as follows:

- (a) Whether the delay in payment of Subsistence Allowance can be attributed to the Respondent No. 1?
- (b) Whether the Respondent No. 1 is responsible for inordinate delay in payment of monthly salaries of the father of the Complainant for the period indicated above?

9. We shall first deal with the question as to whether the delay in payment of Subsistence Allowance can be attributed to the Respondent No. 1. Records indicate that by Order dated 22-02-2014 the father of the Complainant was placed under suspension with immediate effect. In the, said Suspension Order it was stated that all the provisions of law in the circumstances applicable during the suspension will be dealt with accordingly. It is the contention of the Respondent No. 1 that the Subsistence Allowance could not be paid to the father of the Complainant in time as the father of the Complainant failed to complete all the required formalities which are mandatory as per the Goa, Daman and Diu Education Act and Rules, 1984. The records also indicate that the father of the Complainant instead of complying with the formalities started finding faults with the Suspension Order from time to time. Ultimately the father of the Complainant by letter dated 23-05-2014 completed the formalities, and thereafter the Subsistence Allowance was paid to the father of the Complainant. This being the position, we are not inclined to accept the contention of the Complainant that the delay in payment of Subsistence Allowance was on account of the fault of the Respondent No. 1. In fact, the records indicate that it is the father of the Complainant who is responsible for delay in payment of the Subsistence Allowance.

10. We shall now deal with the question as to whether there was inordinate delay in payment of monthly salaries of the father of the Complainant for the period indicated above. The Respondent No.1 has not denied that there was a delay in payment of the monthly salary to the father of the Complainant. The Respondent No.1 has also not

given any justification for delay in payment of monthly salary to the father of the Complainant. In absence of any justification, we are of the view that the Respondent No.1 is responsible for the delay in payment of salary to the father of the Complainant.

11. There cannot be any doubt that unjustified delay in payment of salaries of the employees is an infringement of fundamental rights of any employee within the meaning of Article-21 of the Constitution of India and would thus amount to violation of Human Rights. Right to life as contemplated under Article-21 of the Constitution of India includes right to live with human dignity and decency. Therefore, it follows that the delay in payment of salaries in time which were admittedly due would amount to deprivation of right to live with human dignity and decency. As per Section 2(1) (d) "Human Rights" means the rights relating to life, liberty, equality and dignity of the individual granted by the Constitution or embodied in the International Covenants and enforceable by Courts in India. In the present proceedings the question for determination is whether there was any justification in non-payment of salaries to the father of the Complainant for considerable period. The Respondent No.1 has failed to justify this inordinate delay. We are therefore positively convinced that non-payment of salaries in time is in clear violation of human rights of the father of the Complainant.

12. In the case of Kapila Hingorani v/s State of Bihar reported in AIR 2005 S.C 980 Supreme Court held "Where employees of Public Sector undertaking were not paid salaries for years and were starving and State bound to protect human rights and fundamental rights directed to deposit sum of Rupees 125.50 crores for payment of arrears of salaries".

13. Needless to say, that on account of non-payment of salaries in time to the father of the Complainant has caused mental agony and mental torture to the Complainant and his family members including his father. We are therefore satisfied that the father of the Complainant is entitled for reasonable compensation to be paid by the School Authority.

14. The Commission therefore makes the following recommendation:

The School Managing Committee of Keerti Vidhyalaya High School, Siolim, Bardez-Goa through Respondent No. 1 shall pay compensation

of Rs. 5,000/- (Rupees five thousand only) to the father of the Complainant within a period of 30 days.

Date: 21-10-2015.
